2004 Municipal Performance Measurement Program Report

Dear Taxpayer:

The attached represents the year 2004 report for the Corporation of the Township of Nairn and Hyman under the Municipal Performance Measurement Program of the Province of Ontario. This is year five of the Performance Measurement reporting for the municipality.

Municipalities are required to measure and report to taxpayers on their performance in service delivery. The program addresses both efficiency and effectiveness of municipal services. The services selected reflect major cost areas, provincial-municipal interests, areas that have high interest and value to the public, areas where data is relatively easy to collect and programs that fall under municipal responsibility.

For further information on this matter, please contact the municipal office at 705-869-4232 or by e-mail at nairncentre@personainternet.com.

Sincerely yours,
Robert Deschene, CAO
