2008 Municipal Performance Measurement Program Report

Dear Taxpayer:

The attached represents the year 2008 report for the Corporation of the Township of Nairn and Hyman under the Municipal Performance Measurement Program of the Province of Ontario. This is year eight of the Performance Measurement reporting for the municipality.

Municipalities are required to measure and report to taxpayers on their performance in service delivery. The program addresses both efficiency and effectiveness of municipal services. The services selected reflect major cost areas, provincial-municipal interests, areas that have high interest and value to the public, areas where data is relatively easy to collect and programs that fall under municipal responsibility.

For further information on this matter, please contact the municipal office at 705-869-4232 or by e-mail at nairncentre@personainternet.com.

Sincerely yours,
Robert Deschene, CAO

Local Government

1.1 GENERAL GOVERNMENT - EFFICIENCY					
	2008	2007			
	23.8%	13.4%			
<p>Efficiency Measure Operating costs for governance and corporate management as a percentage of total municipal operating costs.</p> <p>Objective Efficient municipal government.</p>					
<p>Notes & Key Factors for Understanding Results Primary costs are attributed to council, general administration, human resources, taxation, finance, legal information technology, facilities, communications and audit. The municipality provides centralized corporate support for services such as payroll, accounting and information technology for all departments. A centralized support model may result in a higher measurement result than a decentralized model where more costs are allocated to service areas.</p>					
<p>The formula for the local government measure was changed in 2007. SLC 91 0205 13 Financial Information Return.</p>					

Fire Services

2.1 FIRE SERVICES - EFFICIENCY					
	2008	2007	2006	2005	
	\$2.66	\$2.62	\$2.52	\$2.71	
<p>Efficiency Measure Operating costs for fire services per \$1,000 of assessment.</p> <p>Objective Efficient fire services.</p>					
<p>Notes & Key Factors for Understanding Results All firefighters are volunteer. Factors that can influence these results include size of municipality and mix of urban and rural coverage. The municipality operates two fire stations, one in the geographic Township of Nairn and the other in the geographic Township of Hyman.</p>					
<p>Formulas for all efficiency measures were changed in 2005 to improve the definition of operating costs. SLC 91 1102 13 Financial Information Return.</p>
