

COUNCILLOR CHARLENE MARTEL
Chair – Community Parks and Recreation Committee

Charlene moved to Nairn Centre in 1984 with her husband Donald and her son Christian. She had worked in customer service in a number of local businesses and has made many acquaintances over the years. After some encouragement from family and friends she decided to run, and was elected to Council in 2010. Charlene is the Chair of the Recreation Committee and has come to realize that hosting events is much more work than first anticipated. Charlene believes the Township is very fortunate to have such hardworking and organized members on the Rec Committee and encourages others to volunteer.

Charlene is happy to be working with Council and believes the mix of new and experienced Councillors and staff members blend well and will considerably benefit the community.
