

MAYOR LAURIER FALLDIEN
Chair – Public Works Committee

Elected Mayor in 2010, Laurier believes he can help achieve many successes for the residents of the Township of Nairn and Hyman by approaching his new position with the same attitude he brings to his multiple businesses. Mayor Falldien recognizes that he is only one of 5 votes on Council and has the utmost respect and confidence in the peers that the taxpayers have elected to work together.

“Every Councillor brings to the table their own strengths and knowledge, and together we are the perfect team. I look forward to working on your behalf in the years to come.”
