DRINKING WATER ADVISORY IN EFFECT ON FEBRUARY 1, 2021

Until further notice the residents of the community of Nairn Centre who draw their water from the municipal water supply are under a drinking water advisory.

A drinking water advisory means that people who take their water from the municipal system should not drink the water, use it to make infant formula, juices, washing dishes, cooking, brushing their teeth, making ice, wash foods (such as fruits and vegetables), or bathing small children.

For further information please see the Township's website and FaceBook site, or contact Public Health. Public Health will lift the order once bacteriological testing of the water indicates it is safe.

Water will be available for pickup at the Community Centre at the following times:

February 1, 2021: 3:00 p.m. – 8:00 p.m.

February 2, 2021: 9:30 a.m. – 4:30 p.m.
